Members of the Library Board who are on the committee are Board President Peg Mayerowitz, Board Vice-President Isha Vyas, Board Secretary Frank Silbon, Board Treasurer Ed Mullen and Board Member Anthony Terebetsky. Three Board Members attended the first meeting. Additional members of the committee include:

Caroline Ehrlich, Mayor’s Chief of Staff
Nancy Drumm, Councilwoman at Large
Lizbeth DeJesus, Councilwoman at Large
Robert Zega, Ph.d., Superintendent of Schools
Eileen Zulo, President, Board of Education
Dina Meky, Berkeley College Librarian
Monica Eppinger, Library Director
Patty Anderson, Assistant Library Director
Wenda Rottweiler, Librarian
Ellen Bonacart, Librarian
Amera Elbayar, Librarian
Angelo Rousos, Librarian

The next step is Community Conversations will be open to the public. Committee Members are asked to attend as many of the meetings as possible. A Google Group has been created to share
the preliminary report, information gathered, and articles considered throughout the process.

The audiovisual capital improvement grant, supported by the Columbia Bank Foundation, with matching funds (50%) provided by the Woodbridge Public Library Foundation, is now complete. The Mayor will visit on Friday, November 18, to present Donna Rivera of Columbia Bank with a plaque that will be installed at the Main Library. A matching plaque will be installed at Iselin Branch Library.

Matthew Scala of Boy Scout Troop 143 in Colonia will begin his Eagle Scout Project at the Henry Inman Branch Library, where he will paint and clean the Meeting Room, and address window treatments that would allow for multimedia presentations and movies to be shown.

Maintenance Update
- All branch roofs were repaired by a Township contractor in October.
- Brian Burke reports that the heating coils are installed at the Henry Inman Branch, and the heat is on.
- The Township approved a project to repair the ramp to the second floor.
- Five dumpsters with maintenance equipment and damaged, outdated equipment and furniture have been removed from a storage area in the back of the building. Another dumpster is in place.
- A plan is in place to rearrange some of the Children’s Room storage spaces, and a resolution has been drawn up to make an entrance from the Staff Lounge into the maintenance area to move maintenance storage there.
- Daily cleanings have begun, with extra tasks to happen on Tuesdays when the branch areas are prepared and closed in the mornings. Meeting rooms, breakroom areas and desk areas at Iselin and Henry Inman are scheduled to be cleared before cleanings will be effective.

Personnel
- October Employees of the Month: Derek Supp and Eddie Santos of the IT Department, who have continued to support library electronic resources, the online ILS, and have offered technical support for hardware, as well as wiring needed to add people counters.
- November Employee of the Month: April Kane was not only nominated by a colleague, but is an easy choice for her forward thinking, assistance with social media, attention to critical outreach and a high quality of programs for adults.
- An opening for a Part-Time Librarian I (16 hours, maximum 19 hours per week) has been posted internally. Part-time Sunday librarian, Ilyssa Wesche, is very interested in applying for this position. It would relieve the constant “filling in” that she has already been doing due to staff illnesses and medical leaves. This position will be part of the AFSCME union and we anticipate filling this spot very quickly. As a result, we will advertise for a Sunday librarian again, an existing position in the AFSCME contract.
- At the Librarian’s Meeting for October we viewed an introduction to User Experience (UX) in Libraries with Aaron Schmidt, https://vimeo.com/72766459, and divided librarians into four groups to address user experience and some of
the needs the library can address from librarians’ perspectives in four divisions, eNewsletter and Marketing, Collection and Space Allocation, Programming and Outreach and Computer Help and Electronic Resources. We will be meeting in smaller groups to report back to Librarians as a group with recommendations.

- Patty Anderson has reached out to Marie Radford, Ph.D., Professor and Director of the Rutgers School of Communication, Information and Library Studies, to do a workshop for staff on how to accept change and be “response resilient” to changes in the external and internal environment in January.

Library Outreach Efforts

- I attended the Chamber Women’s Leadership Dinner on October 6th.
- KG Brown attended the Mayor’s Health Fair on October 28th with an information table.
- On October 13th I spoke about eBooks, and electronic resources at Woodbridge Public Library at the Rotary Club Luncheon.
- April Kane arranged for a Blood Drive on October 31.

December Outreach and Collaborations

- We will claim a Pop Up Library in the location where FYE has vacated in Woodbridge Center Mall free of charge. The Mall will supply electricity, heat and possibly wifi should we open for a Children’s Story Time and drop-in craft, but we will fill the display windows with Woodbridge Library publicity, including notice of our survey collection from township residents and Community Conversations.
- On November 30th, the library will host a Job Search and Interviewing Workshop for Veterans and their spouses. Patty Anderson is working with Ron Davie, the Coordinator for the Woodbridge Sansone Veterans and Spouses Assistance Center. Ron is reaching out to a number of veteran’s posts and One Stop Workforce Development centers throughout the region and county.
- April Kane and Deidra Garcia will attend the Chamber Holiday Luncheon and will staff a table with library information.
- Patty Anderson and Linda Cooper, Main Library Coordinator, met with Jeff Mayerowitz, Grant writer for the Township in late October. The library is applying for a “Big Read,” grant from the National Endowment for the Arts.
- We have scheduled a meeting with the Executive Director of LiteracyNJ, Elizabeth Gloeggler, to discuss training for literacy tutors in Woodbridge. We will find out if she is working anywhere else in the Township, and learn how we can step up our efforts and our pool of tutor talent in Woodbridge.
- We sponsored a basket for the Chamber Awards Dinner with donated items that for a basket of Gourmet Treats and Reads. Patty Anderson and I attended the event. We networked with Berkeley College faculty.
- The Children’s Department in all locations have frequent school visits. The numbers are reflected in the program report. The management of school visits will be discussed as part of the strategic plan as the library has accepted the opportunity and challenge to serve in place of a school library.
Report of Friends of the Libraries: Kathryn Brown said that the Friends General Membership meeting was held on November 2, 2016. She stated that the Friends were going to work on the area where the books are for sale. She said the Friends want to make that area more appealing to the patrons.

Report of Board of Trustees President: None

Report of Board Members: None

Unfinished Business: Leslie Burger from Library Development Services gave an update on the hosting of the community meeting, which included the wish list from patrons, preparing the Strategic Plan for the library and expanding the committee to include staff members. Leslie said the library has the potential to be very influential in the community. She also stated that next week Alan and another consultant will be doing a technology assessment. Leslie said that the Township has to take one more look at the report before it is distributed.
