Interim Director’s Report:

February 2016

Buildings:

The libraries were closed on Saturday, January 23, due to snow; the Main Library reopened for business on Sunday, January 24 at its usual time.

Ventures:

On February 1st, “SignUp” and “Spaces,” the Evanced online systems for program registration and room reservation requests went live: library users can now access these through the library’s web site. Thanks to Patty Anderson, assistant director, Neeta Pereira, administrative clerk, Nancy O’Grady, head of children’s services,
Angelo Rousos, reference librarian, and to all the staff who worked to make this possible.

On February 1st, I conducted the Library’s safety committee meeting, on behalf of the Assistant Director. No new major incidences were reported. Carol Huber took that report to the Township Safety Committee on February 4th.

IT Supervisor Jerry Holtz reports that the Envisionware computer reservation system is now installed at the Iselin Branch: the public computers at all four locations now operate with Envisionware.

Ellen Bonacart, AFCSME union representative, and I have signed the AFCSME contract for the period July 2014-June 2017. A memorandum of agreement, which clarifies the pay grade increases for the professional levels, will be discussed in executive session.

I attended meetings of both the children’s and adult book evaluation committees, on January 28th and February 4th.

I have begun to focus on preparing the Library’s annual report to the State Library. This year’s report includes new questions regarding sizes of meeting rooms, number of parking spaces, and the year a building was last renovated.

On February 9th, Wenda Rottweiler introduced me to the Library’s Local History Collection.

On the evening of February 9th the Main Library hosted a program on “The Rise and Fall of Negro League Baseball,” funded by the Horizons Speakers Bureau of the New Jersey Council for the Humanities. April Kane, reference librarian, coordinated the grant; Patty Anderson and Carol Huber attended the event.

Assistant Director, Patty Anderson, is in the process of planning an in-service staff training day for all staff, regarding customer service, for early May. Tentatively, this would take place on May 10, and the library would be closed for part or all of the day. Details are in Patty’s report.

**Personnel:** Assistant Director Patty Anderson is interviewing candidates for Sunday Reference Librarian (part-time) and for a Senior Library Assistant in the Main Library Children’s Room, to replace the two employees who resigned last month.

**Assistant Director’s Report:**
February 2016

VENTURES

- The Next Chapter Book Club resumed as of January 6, 2016. The Club completed its third book and is starting a new novel: *The Penderwycks*. The club members continue to meet weekly at the Menlo Park Mall. Facilitators Anne Taylor and Deidra Garcia attend, along with Library Administrator, Patty Anderson and a few volunteers.

- The Evanced Spaces module is now complete. This new online registration system for patrons went “live” on Monday, February 1st. This now completes the (3) modules for online registration: Summer Reading, Events/Sign-Ups and now Spaces (meeting room). All library-driven reservations will be handled by the librarians, thus reducing the many phone calls and clerical time on the part of Administration. Patrons will now be able to “sign up” online or apply for a meeting room reservation. Revised meeting room policies are online via the library website, as well as, a new contact form called a “Meeting Use Agreement” form. All patron reservations will be “pending” until approved by Administration. New bookmarks were created to help publicize this new service to the public.

- The Envisionware PC reservation system is now complete library-wide. Jerry Holtz and his IT technicians have just completed the final phase of the install at the Iselin Branch Library. Feedback from library reference staff and branch heads is that the new reservation system is working well and patrons are pleased with it. The system gives patrons a two hour reservation, which can be extended if necessary; a print component is built in and the system records the actual printing costs and number of pages.

- The new public scanner had to go back to the manufacturer for repairs. We hope to have it back on the floor soon.

- Additional chairs and tables were added to the Quiet Study Room. This now completes the final renovation of this room. Patty Anderson supervised the furniture installations and refurbishing of the room.

PERSONNEL/STAFF TRAINING

- Anti-harassment training for all library staff will begin on Tuesday, February 23rd and will be completed on Wednesday, March 2nd. The training is mandatory and copies of attendees will be forwarded to the Township compliance officer. Patty Anderson will conduct all (31) training sessions.

- The Assistant Director interviewed all five candidates for an in-house promotion to Senior Library Assistant. There was an opening in the
Children’s Department at the Main Library due to a recent vacancy. The selected candidate is on the Personnel Sheet for board approval.

- The Policy Committee has completed its review and recommendation for a dress code at the library. There are two dress codes included for your review: one for the monitors (shelvers, mostly high school students) and one for the rest of the staff. Many hours went in to these recommendations. The supervisors felt it was necessary to institute a dress code, as some staff were coming to work dressed inappropriately for the workplace. A policy will assist supervisors in their job of maintaining a professional workplace. The Policies are included for the Board and we would like to have them approved for an April 1, 2016 enactment date.

- The Assistant Director, along with Interim Director, Caroline Brown conducted a monthly staff meeting on January 10, 2016. Ms. Sue Miller was presented with a “Certificate of Appreciation” for receiving a 5 star rating on Facebook. It was for her all-around “awesomeness.” Very nice.

- Caroline Brown, Interim Director, Patty Anderson, Assistant Director, Linda Cooper, Main Library Coordinator, and Anne Taylor, Head of Reference met with Ron Davie of the Woodbridge Sansone Veteran’s Assistance Center, regarding possible training classes on resume building and job searching for the Veterans. The Assistant Director was asked by the Township to follow up on what resources and role the public library can play to help local veterans with job assistance.
