

Middlesex County Vote PSA - 2023 General Election

We are excited to announce the launch of Middlesex County’s “Vote PSA - 2023 General Election” campaign, which began the week of September 11th and will continue to run through Election Day on November 7th. This initiative aims to educate the residents of Middlesex County on the various ways they can exercise their voting rights in the upcoming 2023 General Election.

The campaign highlights three options available: voting by mail, in-person early voting, or voting on Election Day. To effectively reach our diverse community, we have prepared two TV spots, one in English and one in Spanish, which will be complemented by advertisements across digital media platforms and print publications as well as billboards in the County.
